

We are back and ready to serve you!

At this time with news of COVID-19, we wanted to personally reach out to all of our patients and let you know that Bright Dental is fully committed to making sure that all your safety concerns are addressed.

We are closely monitoring the guidelines of CDC, ADA, OSHA regarding the spread of the virus. We are implementing all the enhanced protocols to ensure your safety.

If you have an existing appointment for a dental procedure, we look forward to seeing you and want to reassure you that we are doing everything we can to promote a healthy environment and patient experience.

We look forward to seeing you soon!
